

**2011 Annual General Meeting**  
**Passed Resolutions**

Whereas, 60% of Rural Municipalities' of Saskatchewan and Manitoba are Hudson Bay Route Association (HBRA) members,

and whereas, the HBRA addresses transportation and rail issues that are common to shortline railways and to agricultural organizations of Western Canada,

Therefore Be It Resolved that:

The HBRA Executive pursues the formation of a Coalition of all the groups and lobbyists to represent transportation and rail issues.

Whereas, Churchill is the only Port in the developed world without National Coast Guard Services (CGS),

and whereas, there are CGS in at least 12 points including inland waters in Canada, and whereas, Coast Guard Services at Churchill would provide; increased safety, lower insurance rates, reduced risks, improved rescue operations, salvage, and increased shipping season, and whereas, provisions of CGS would enhance Churchill as a world class Port,

Therefore Be It Resolved that:

The Coast Guard Services be arranged for and provided to Churchill immediately.
